### Location & surrounding area:

Colonia de Sant Pere lies in the municipality of Artà, the Majorcans call it lovingly the harbour of Artà. Wonderfully situated in front of the mountains of Mont Ferrutx, the village maintains the rhythm of the inhabitants, even in the summer it does not change a lot. With the construction of the new harbour the village has grown but because of the building regulations, there are no large buildings or hotels. Unforgettable sunsets are memories for visitors to this village.
