Location & surrounding area:

Son Espanyolet is a growing and charming area located right next to the trendy Santa Catalina district with the most diverse culinary offer of restaurants, bars and cafés that Palma has to offer. Despite its central location, Son Espanyolet is characterised by the quiet atmosphere you will find there. It is an ideal place to live away from the hustle and bustle of the big city, but still be surrounded by all kinds of amenities such as supermarkets, pharmacies, cafés, bars and restaurants. The Juaneda Private Hospital is also located in Son Espanyolet.

The famous Paseo Marítimo, the fantastic promenade that runs parallel to the coast of Palma and is ideal for walking, sports and enjoying restaurants and clubs, is also only a 7 minute walk away. With several schools nearby, this area is a popular choice for families. The area is a mixture of villas with gardens and low buildings. From many of the properties you can enjoy beautiful views of Bellver Castle, which is within walking distance and offers stunning views over the bay of Palma.

Early risers can enjoy the sunrise over Palma here.
