Location & surrounding area:

If you are looking for a green but centrally-situated area in the town of Palma de Mallorca then Son Armadams is the place for you. The district is surrounded by a wonderful park on a hill which leads to Bellver castle from where breathtaking views over the whole of the bay of Palma can be enjoyed. The park is also an ideal place for all types of outdoor activities, and in the inner courtyard of the castle all kinds of concerts take place during the summer months. The upper part is a quiet residential area and was one of the most exclusive in Palma with its impressive villas. Today it is a privileged neighbourhood for families wishing to live in a quiet area, but still be within easy reach of all amenities.

Son Armadams is only a few minutes away from the trendy district of Santa Catalina, one of the town's most popular places for gastronomy and nightlife. The Paseo Marítimo and the harbour, where lovely walks and the nightlife can be enjoyed, is also only a stone's throw away.

Son Armadams is only a few minutes by foot from the historic town centre and its main streets, where the best shopping possibilities on the island can be found. It is a residential oasis directly in the town and an excellent choice when seeking peace and quiet, although still wishing to be within easy reach of all facilities.
