Location & surrounding area:

The Paseo Marítimo forms the borderline from the capital Palma towards the water and extends on about 6 kilometres from the military port of Porto Pi in the west, along the historic centre, the antique pier, the cathedral till the fisher harbour of Portixol in the east. Whilst some people take the bicycle or the roller blades, others are jogging or simply walk; all of them are enjoying meanwhile the fresh breeze on the waterfront. The promenade of Palma is one of the favoured meeting points for the people of the island and the life not only vibrates during the day. The attractive nightlife offers different kind of hip dancing clubs, fancy pubs, coffee shops and restaurants for each taste. Sunny residential apartment blocks, south orientated, with views to the marinas with its floating yachts, define the image of the Paseo Marítimo.
