Details:

This traditional, idyllic finca property is situated on a plot of approx. 32,879 sqm in a quiet location near the original and charming village of Porreres. Here you can enjoy a wonderful panoramic view of the Mediterranean nature and the mountains. Particularly noteworthy is the ingrown garden, which offers a real oasis to feel good and relax, as well as the existing vacation rental license.

The finca property has a total of three buildings with a total area of approx. 484 sqm. The main house of the finca has a cozy living and dining area with a fireplace and an integrated kitchen, which creates a communicative atmosphere. The conservatory impresses with a pleasant ambience and a wonderful view of the idyllic, green garden. It offers enough space for the whole family to get together. There are also 2 bedrooms on the first floor, each with an en-suite bathroom. One bedroom also has access to a terrace.

An external staircase leads to the upper floor. Here you will find a spacious studio with a bedroom, a bathroom, a small kitchen and a private living area.

The modernized guest house is self-sufficient and has its own garage. The terrace enchants with a fantastic view.

A further building with two spacious rooms, which could be used as an office or studio, for example, complete the package. The building also houses a garage.

Outside, several terraces invite you to enjoy the idyllic and peaceful surroundings. An approx. 52 sqm saltwater pool invites you to refresh yourself. The large palm trees provide shade. Numerous fruit trees, such as figs, lemons, grapefruits, apricots, oranges and pomegranates, underline the Mediterranean ambience. You can enjoy relaxing hours with family and friends in the covered barbecue area.
