Location & surrounding area:

Inca, the centrally-located third largest city on the island, has everything needed for normal daily life and is well known as the centre of the shoe and leather industry in Mallorca. Its shoemaker guilds are the oldest in Mallorca, dating back to the Catalan conquest of the island in the 13th century.

The weekly market takes place every Thursday and the annual fiesta Dijous Bo of Inca is one of the major animal markets and festivals in Mallorca. The beaches of the Bay of Alcudia and the city of Palma are only 20 minutes away, and a large number of roads lead to all other parts of the island.
