Its living space is impressively styled and spread over 2 levels, and consists of 4 spacious bedrooms, 2 bathrooms, a kitchen, and a living/dining area with fireplace.

Further features include marble floors, its own water cistern, a project for a pool and a private well. The house is surrounded by terraces and every room has its own terrace/balcony providing ample natural light and great privacy.

From the external area surrounding the partly natural-stone clad house there are unobstructed views of the mountains and over the 14.000 sqm plot of land.
