### Details:

This charming finca is available for long-term rent and is situated in a quiet setting near Sant Llorenç des Cardassar. The property offers approximately 140 sqm of constructed area and sits on a plot of around 735 sqm with fruit trees that give the surroundings a distinctly Mediterranean character.

Inside, you will find a spacious living and dining area, a kitchen with pantry, and an entrance area that can ideally be used as an office or additional workspace. A fully glazed winter garden extends the living area, bringing in plenty of natural light and creating a warm and inviting atmosphere. The well-maintained furnishings further enhance the welcoming character of the home. A separate laundry room is also available.

The finca features two bedrooms, one of them with a separate entrance, as well as two bathrooms, including one located directly by the pool. Outdoors, several terraces around the house, a pool of about 15 sqm, and a traditional stone oven offer ideal spaces to enjoy the Mallorcan lifestyle. Terracotta floors, a fireplace and air conditioning ensure a pleasant living climate. A notable feature are the traditional pebble mosaic floors, which add an authentic yet subtle Mallorcan touch to the property.
