The property comprises three bedrooms, two of which feature en-suite bathrooms, as well as three bathrooms in total. Location & surrounding area:

Sant Llorenç is a quiet, authentic village with Mallorcan charm that is located away from the tourist centres - and that is exactly what makes it so special. Only around 20 minutes away from the renowned Rafa Nadal International School in Manacor, the village offers a relaxed atmosphere with small shops, cafés and lovingly restored architecture.

Every Thursday, a small, charming weekly market is held in the main square, selling fresh local produce. The proximity to Artà, one of the most beautiful places in the north-east of the island, as well as the accessibility of the beaches and the popular cycling and hiking route 'Via Verda' make Sant Llorenç particularly attractive for all those who want to enjoy authentic Mallorca all year round - with good connections and a high quality of life.
