Details:

This luxurious, Mallorcan-style property provides sweeping panoramic views over Mallorca due to its elevated location on a hill in Porreres. It was built in 2013 using only the highest-quality materials, and incorporating both modern and and typical-Mallorcan elements such as wooden beams, bestowing much harmony and charm upon the property.

Standing on a plot of land of approx. 30.587 sqm are 3 buildings with a total area of 400 sqm of living space. The main house has a large, modern fitted kitchen with separate dining room and a comfortable living area where a fireplace assures a pleasant atmosphere on cool winter evenings. Thanks to the floor-to-ceiling windows the rooms are flooded with natural light. On the upper level there are 3 bedrooms each with en-suite bathroom.

Also belonging to the property are 2 separate guest houses, each with a bedroom with en-suite bathroom and its own small terrace, and one of which has a kitchen.

The terraces and infinity pool form a harmonious symbiosis with the breathtaking views of the mountains and the sea. Or linger in the BBQ area with the family whilst enjoying the sunset, or play a game of tennis on the private court.

Further features of this exceptional object include a touristic rental licence, automatic garden irrigation, air conditioning and underfloor heating.
