Details:

This original house is situated in a privileged location, surrounded by trees, with absolute privacy and beautiful views.

Its living space is spread over 2 levels. The ground floor can be accessed either via the open dining room or the kitchen on the other side, and houses the living room, 2 bedrooms, and a bathroom. The house is surrounded by sunny terraces from where the tranquillity and the views can be enjoyed to the full.

On the first floor are 2 further bedrooms, each with bathroom en suite, and 2 balconies, one with access from the main bedroom.

All living rooms are light-flooded and south-facing, the bedrooms are west-orientated and the kitchen faces the east.

The design of the house is very original and creates a wonderful ambience with many lovely details and textures including terracotta floors, decorative glazed ceramic tiles in the kitchen and bathrooms, traditionally-treated wood elements and a cast iron fireplace.
Further features include double-glazed windows and central heating.

In the exterior area is the pool, bbq zone and a garden with diverse fruit trees.

Truly the ideal house to spend the summer months, or to use as a permanent home throughout the year.
