### Location & surrounding area:

Es Capdella is a small village with 1000 inhabitants which belongs to the municipality of Calvia. It is situated at the foot of the Tramuntana mountains, 115 metres above sea level with views as far as the Puig de Galatzo (1027 metres high). It was founded in the 17th. Century and has retained the charm of times gone by.

Due to its special location Es Capdella has remained an insider tip where individualists, principally Germans and English, have recognised what the village and the surrounding area have to offer and have settled here. The bars Nou and Es Moli should also be mentioned, two central venues in the village offering Mallorcan cuisine and very popular with tourists. Scenically particularly lovely are mountain routes from Capdella to Puigpunyent via Galilea, and to Andratx and Peguera.

Es Capdella is situated only 6 – 8 km. From the coast, where long sandy beaches and beautiful bays invite to bathe. A large choice of activities are available together with a very good infrastructure. Palma can be reached within approx. 15 minutes, and the airport is only 20 – 25 minutes away.
