#### **Location & surrounding area:**

Artà is situated in the northeast of the island, a good part of the municipality is part of the natural park "Parque Natural de Llevant". It belongs to the few municipalities of Mallorca that still have natural wide sandy beaches. About 7000 inhabitants live in the 140 km2 large municipality area. The landmark, the church of Sant Salvador with its thick walls, looks proudly down to the village and can be seen for miles around.
