The 1st floor consists of the spacious master bedroom with spa-bathroom and 2 additional bedrooms, all en suite.

All bedrooms have access to the magnificent terrace with unrestricted views of the garden and the sea.

Location & surrounding area:

Vallgornera belongs to the county of Llucmajor and is situated between Cala Pi and S'Estanyol. This new urbanisation was constructed for everyone who wants to have calm and privacy. There only a few construction activities. The new buildings are fitted in the landscape. The steep coast of Vallgornera possess a fantastic view to the sea and orientation south so that the sun is guarenteed for all the day. In the coves there are possibilities for swimming. One of the main attraction of the region is the sand beach of Es Trenc. It is one of the longest one and the only natural sand beach on Majorca.
