Location & surrounding area:

Sol de Mallorca is situated amidst a forest of pine trees, offering little bays, nice quiet routes for walking and a "mini" harbour.

To the beach of Portals Vells, the so-called "three-finger-bay", the best way to go there is by boat and for those who can't, take the long way through the forest. On the main beach "Sa Platgeta" a very nice restaurant invites to have one of those typically mallorquin plates on its great terrace facing the sea, whilst the small beach of Cala Magó (only 28 by 29 meters) was not only shooting to fame because of its beauty, but also being the first officially nude beach of the municipal Calvia.

On the way to Sol de Mallorca there are two more beaches to be recommended, such as the Bella Donna with its white sand and the famous Cala Falcó with a cute chip shop offering food, drinks and music. A good connection to the highway, the nearness to various golf courses and the two harbours of Adriano and Portals converts this position into something very interesting.
